Achieve Universal Primary Education

December

Promote Gender Equality & Empower Women

January

Reduce Child Mortality

February

Improve Maternal Health

March

Combat HIV AIDS, Malaria & Other Diseases

April

Ensure Environmental Sustainability

May

Develop a Global Partnership for Development

June-July

Refugees

The monthly theme will focus on a global topic. The eight United Nations Millennium Development Goals (MDG) will be included as themes for 2008-2009. Each month schools will have access to NDVS resources: newsletters, prayer services, global projects and online educational units.

*“In the schools teach whatever is necessary to equip the students for life.” - St. Julie Billiart*
